The practice of Previous year papers of the last 10 years is a must to crack this exam. Candidates needed to be updated with the current affairs of Maharashtra state especially. Besides these books for MPSC aspirants must also refer to books by:- Ranjan Kolambe Indian Economic Survey Maharashtra Economic Survey S. Chand Nirali Prakashan MPSC Prep Tips The following are MPSC preparation tips for Prelims and Mains. 1.As per MPSC previous year papers, current affairs and general knowledge is very important and most of the questions will be asked from these topics. For current affairs, you should read suggested newspapers and be updated with the current activities of Maharashtra state. 2.The Mains paper is descriptive and you have to write long answers and essays. So, make sure to do practice by solving papers. 3.Give mock tests as per the latest pattern and guidelines of Maharashtra state. Solve and practice the question papers of the last ten years. 4.Be updated with notifications regarding the MPSC exam at the official website. 5.Never take burden by following numbers of reference books. You should follow the best and specific number of books only. But it's very important to prepare and revise from those selected books in an efficient way. Varieties of books are available for every subject. Don't read every book for a particular subject. Pick out the best ones and revise those books again and again. Make your notes short and revise them regularly. Revision is the key so make sure to do it effectively. MPSC FAQs Ques. What is the best source for MPSC current affairs? Ans.
